DESCRIPTION OF SCHOOL FOR JEWISH LIVING

School for Jewish Living provides Jewish experiences and education for children in pre-school through 10th grade Confirmation. We meet on Sundays from 9:00am-12:15pm and for additional special events.

9:00am Family Breakfast: Children and parents join together for family breakfast and morning announcements. **On time arrival is important for several reasons.**

1. Enjoy a non-rushed meal with your child.
2. Schmooze with fellow parents and teachers.
3. Through repetition, learn the prayers for before and after meals.

Research shows a regularly shared meal has proven to enhance relationships and reshape community.

9:30am Family Tefilah (Worship): Following breakfast, families gather in the sanctuary for worship with Rabbi Joel and Andrea. Through song, movement, stories, and readings, this interactive service is intended to expose and engage children in Jewish ritual. Several students, especially those preparing for Bar/Bat Mitzvah, assist in leading prayers. Parents are encouraged to sit with their child and participate.

10:00am-12:00pm In Class Learning: After worship students are grouped by age to engage in Jewish study and experiences. Through drama, stories, art, music, games, cooking and social action projects, students participate in their learning in a fun and meaningful way. Our curriculum is centered on the goals of developing and strengthening Jewish identity, knowledge, and connection. Core content areas include: Jewish values and mitzvot, Torah and sacred texts, Shabbat, holiday, and life cycle rituals, history, Israel, culture and the arts, and spiritual and identity development.

12:00pm-12:15pm Communal Experience: Our school gathers for a communal experience, such as song session, Israeli dancing, game, ritual, or class presentation. Just as we begin each session together, we feel it is important to conclude together. It is a beautiful thing to watch our younger students be inspired by our teens and develop friendships that span the ages. Dismissal is 12:15pm.

Tzedakah & Tikkun Olam: Students are encouraged to bring tzedakah (money to help those in need) each week and at the end of the year we donate it to a charity. Throughout the year we engage in hands on tikkun olam (healing the world) projects, such as annual Mitzvah Day, neighborhood clean up, and visiting the elderly.

PARENT PARTICIPATION AND FAMILY EXPERIENCE

"To educate a child without educating and involving the parents and the entire family can be compared to heating the house while leaving the window open." Rabbi Mordechai Kaplan

No Religious School – no matter how excellent it is – can succeed without the active participation and support of the child's parents and family. To be effective, Jewish education must be a partnership between the Temple and your home.

Below are ways that **YOU** as a parent can be an active partner in this process:

- Be positive! Express gratitude that you are able to be part of our amazing Temple community. Tell your child repeatedly how important it is to you that he/she participates in Jewish experiences.
- Continue your own Jewish growth and deepen your connection. Role model that Jewish education is not only pediatric; it is a lifelong responsibility that brings joy and meaning. There are many opportunities for adult learning and social activities. If scheduling is difficult, read a Jewish book, learn online, watch a Jewish themed movie—the key is that your child sees you learning.
- Attend services and other Temple programs. Children learn the basics in Sunday School and Hebrew lessons, but they gain practice, confidence, and experience at a worship service. **Chances are much greater for your child to attend as an adult if they attend with you during childhood.**
- Make your home a Jewish space. Fill your home with Jewish books, toys, music, artwork, games, ritual items and more. Download Jewish apps on your phones and tablets. Bake challah or other Jewish foods. Make one meal a day a family meal and say the blessing before you eat. Light Shabbat candles and bless your child on Friday night.
- If you want your child to grow up to be a mensch (a kind, ethical person), be a mensch yourself. Treat others the way you want your child to treat others. Speak the way you want your child to speak.

DESCRIPTION OF HEBREW INSTRUCTION

Students in 3rd grade through Bar/Bat Mitzvah age are strongly encouraged to participate in our Hebrew program. Students begin by learning how to read Hebrew and identify basic vocabulary. Once mastered, students learn how to participate in and lead core prayers. Students also explore Jewish concepts relating to worship and spiritual development. In the year leading up to Bar/Bat Mitzvah students learn Torah and Haftorah passages.

Each student enrolled will be matched with a Hebrew instructor. Together the instructor and family will arrange a time and place for weekly half hour sessions. Students are expected to complete assignments in between sessions for successful retention of material.

SHABBAT FAMILY SERVICES

Celebrate Shabbat with joy and song at our monthly Family Service, the first Friday each month. These services are geared for families with school age children. We encourage you to attend as many as possible. Your presence demonstrates commitment to our school and Temple community. Participating in services enables your child to engage in prayers and songs learned at school. Specific classes will have special parts during the year. Services begin at 6pm followed by 7pm potluck dinner.

SAVE THE DATES: 6pm Family Friendly Services

September 1, October 6, November 3, December 1, January 5,
February 2, March 2, April 6, and May 4.

BE A *SHABBAT STAR*

Students participating in 7 or more Shabbat services during the school year will be recognized as a Shabbat Star on May 4 and will receive a special gift.

POLICIES AND PROCEDURES

Attendance

Consistent, on time attendance is essential to a successful experience. If you know in advance that your child will be absent, **please email your child's teacher**. In extenuating circumstances, contact the Director.

Arrival and Departure

Arrival: Breakfast begins at 9:00am. Parents are encouraged to enjoy our communal breakfast and participate in worship.

Dismissal: School ends at 12:15pm. Parents must pick up his/her child in the building. If earlier pick-up is necessary, parent must notify the teacher in advance.

Behavior

We are a community of learners, which values *derech erez*, kind, respectful, and considerate behavior. Students are expected to treat our Temple, teachers, peers, and curriculum with respect. Failure to live up to this standard will result in disciplinary procedures.

Communication

On a regular basis, you will receive emails that include important information from the Director and your child's teacher. If you are not receiving the emails, please notify the Director. **Please regularly check your email.**

Cell Phone and Electronic Device

Students are discouraged from bringing cell phones/electronic devices. During sessions, we ask students and parents to put phones on silent and keep out of sight. Temple is a special place to be together; it is a sacred space where we can unplug and focus on one another.

Attire

Our program is a hands-on experience. Clothing should be washable and conducive to being active as well as appropriate for study and worship.

Field Trips

If a field trip is planned, parents will be notified in advance and required to complete a permission slip.

Guests

We discourage students from bringing guests on Sundays. Shabbat services are a much better time to bring a friend. If necessary, the guest must be in the same grade. **Advance notification must be given to the Director.** Failure to do so may result in inability to participate.

Parent Volunteers

The success of our program depends on parent support. Please complete and submit the **Parent Volunteer Form** with your child's registration forms.
