DESCRIPTION OF SCHOOL FOR JEWISH LIVING

School for Jewish Living provides Jewish experiences and education for children in pre-school through 10th grade Confirmation. We meet on Sundays from 9:00am-12:00pm and additional special events. Our time together is limited and precious—Please make every effort to preserve this time as sacred. Consistent, on time attendance teaches your child that engaging in Jewish life is a top priority for your family.

9:00am Family Breakfast: Arrive at 9:00am to enjoy a relaxed meal while catching up with each other. **Research shows a regularly shared meal has proven to enhance relationships and reshape community.** We ask each family to supply breakfast, set up and clean up, twice per year.

9:30am Family Tefilah (Worship): Following breakfast, we gather in the sanctuary for *tefilah* with Rabbi Joel and Andrea. Through song, movement, stories, and readings, this interactive service is intended to expose and engage children in Jewish ritual. Several students, especially those preparing for Bar/Bat Mitzvah, assist in leading prayers. Parents are encouraged to sit with children and model active participation.

10:00am-12:00pm In Class Learning: After *tefilah* students are grouped by age for learning. Through drama, stories, art, music, games, cooking and social action, students participate in fun and meaningful Jewish experiences. Our curriculum is centered on the goals of developing and strengthening Jewish identity, knowledge, and connection. Core content areas include: Jewish values/mitzvot, Torah/sacred texts, Shabbat/holiday/life cycle rituals, history, Israel, culture/the arts, and spiritual/identity development.

Tzedakah & Tikkun Olam: Students are encouraged to bring *tzedakah* (money to help those in need) each week, which is donated to a charity at the end of the year. Students also engage in hands on *tikkun olam* (healing the world) projects, such as *Mitzvah Day*, collection drives, and more.

DESCRIPTION OF HEBREW INSTRUCTION

Students in 3rd grade through Bar/Bat Mitzvah age are strongly encouraged to participate in our Hebrew program. Each student is matched with a Hebrew instructor. Together the instructor and family arrange a time and place for weekly half hour sessions. Students are expected to practice between sessions for successful retention of material.

Students begin by learning how to read Hebrew and identify basic vocabulary. Once mastered, students learn how to read and sing selected prayers and explore their meaning. In the year leading up to Bar/Bat Mitzvah, students learn Torah and Haftorah passages.

SHABBAT FAMILY SERVICES

Celebrate Shabbat with joy and song at our monthly Family Service, generally the first Friday each month. These services are geared for families with school age children. We encourage you to attend as many as possible. Participating enables your child to engage in prayers and songs learned on Sundays. Services begin at 6pm followed by 7pm potluck dinner. This year's dates: Sept.2, Oct.7, Nov.4, Dec.2, Jan.6, Feb.3, March 3, May 5.

PARTNERSHIP OF PARENTS AND TEMPLE

"To educate a child without educating and involving the parents and the entire family can be compared to heating the house while leaving the window open." Rabbi Mordechai Kaplan

No Religious School – no matter how excellent it is – can succeed without the active participation and support of family. To be effective, Jewish education must be a partnership between Temple and Families.

Below are ways that **YOU** can be an active partner in this process:

- Be positive! Express your connection to Judaism with love and joy.
- Tell your children how Judaism impacts who you are and how you live.
- Model lifelong Jewish engagement. Attend classes, services, and programs.
- Incorporate Jewish values, rituals, stories, and songs into EVERYDAY.
- Make Shabbat special. Light candles, eat challah, enjoy a delicious treat!

POLICIES AND PROCEDURES

Attendance

Consistent attendance is essential to a successful experience. If you know that your child will be absent, **please email your child's teacher.**

Arrival and Departure

Arrival: Breakfast begins at 9:00am. Families are encouraged to enjoy our communal breakfast and participate in worship.

Dismissal: School ends at 12:00pm. Students must be picked up inside.

Communication

Once registered you will receive emails from the Director and your child's teacher. If you are not receiving them, please notify the Director. **Please regularly check your email.** For reminders and changes, please join the SJL2022-23 group on Remind by going to <https://remind.com/join/sjl202>

Volunteers

The success of our program depends on parent/grandparent support. Please complete and submit the **Volunteer Form** with registration forms.

Behavior

We are a community of learners, which values *derech eretz*, kind, respectful, and considerate behavior. Students are expected to treat our Temple, teachers, peers, and curriculum with respect. Failure to live up to this standard will result in disciplinary procedures.

Phones and Electronic Device

Temple is a special place to be together; it is a sacred space where we can unplug. Unless requested, students should NOT have phones/electronic device between 9:00-12:00. We ask parents to refrain from using phones at breakfast and during *tefilah*.

Attire

Our program is a hands-on experience. Clothing should be washable and conducive to being active as well as appropriate for study and worship.

Field Trips

If a field trip is planned, parents will be notified in advance and required to complete a permission slip.

Guests

We discourage students from bringing guests on Sundays. Shabbat services are a much better time to bring a friend. If necessary, the guest must be in the same grade and **advance notification must be given to the Director.**
